October is Family History Month! Tonight's concert kicks off a week of genealogy events sponsored by WAGS and the FamilySearch Center in East Wenatchee. The GladSong Choir is all about sharing the joy of music, and benefiting worthy causes while they're at it.The 30+ singers will delight you with many styles: pop, country, jazz, and gospel. They do not charge for their performances—tonight's free-will offerings will go to WAGS, raising money to acquire North Central Washington resources for their library, and to continue their digitizing and educational efforts.
